

Kim Cruickshank-Inns

Artist

Kim is currently studying at UCA Farnham

'Hanging to dry', mono print outcomes from STEAM workshop. Photo: Ana Kuzan

Role for project STEAM: Volunteer for the Steamroller workshop.

Testimonial

"STEAM was a well-planned project initiated by a collaboration of enthusiastic artists. As a volunteer/art student I gained valuable experience and had a great deal of fun! There was a diverse range of people that participated in the sessions; everyone was welcome to engage in whichever ways they liked; the sessions felt like we all partied together in art!"
